Wed

09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00
Set up		Lecture on how tLED flash				FOOD		Leture on UART	UART (easy)			Leture on more L	UART (hard)					
			Tea/ coffee							Tea/coffee								
		Lecture on how to verilog						Andrew Herbert	Leading the CCS EDSAC project									
		Leture on UART						Professor Martin	is also in EDSAC project									
		Lecture on EDSAC																
		Leture on peripheral 1																
		Leture on peripheral 2																
		Lecture on using subroutines																
		Leture on 1950+EDSAC																
		Leture on more UART																
		Leture on subroutine																

Thur

09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:15	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00
Leture on EDSAC	Lead in and play	Leture on peripha	Tea/coffee			Food		Leture on peripheral 2		Tea/coffee			Write a subroutin	Leture on subrou	Use the subroutine			BBQ & chat	
			Practice EDSAC	Team a: use EDI	Team a: use peripheral				Team a: use EDSAC sim: prog2		Team a: use peripheral								
				Team b: use peri	Team b: use EDSAC: prog1				Team b: use peripheral		Team b: use EDSAC: prog2								

Fri

09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30+
Lecture on 1950+			Tea/coffee		Videoa on EDSA	Food	CRCONF and beyond
	Try to implement some of the additional features				Thank you for coming
